TO DIPLOMA AND CERTIFICATE STUDENTS
URGENT NOTICE

Dear Sirs/Mesdames,

RE : ADJUSTMENT OF CONTINUOUS ASSESSMENT

Reference is made to the above.

His Excellency the President of Botswana, Dr. E K M Masisi, has just announced the dates for general elections. We are mindful at this Institution of the nuances that come with this. Some of you will be affected in diverse ways, and the rest may be forced to travel before and after the election dates.

To this end, and only for this semester, there shall be **NO MID SEMESTER** examinations. Your continuous assessment shall comprise of **THREE ASSIGNMENTS**. Assignment two shall count toward your Mid Semester marks, and shall be spread across the month of October. Your lecturers shall inform you of when the assignments are posted.

No student who fails to attempt assignment two shall be eligible to write the final examinations, and shall forfeit any fees paid toward this semester. The average of your assignments One and Three shall count toward your **ASSIGNMENT** mark.

We thank you for your kind attention, and in anticipation of your co-operation.

Yours Faithfully,

Tuelo Moreki

Training & Programme Development Coordinator
